

Committee of the Whole

October 27, 2021

Millersburg Borough Office and Webex

Council members present: Alan Bowman, Brent Boyer, Chris Dietz, Adam Hoke.

Also present were Secretary Jackson and Manager Buker.

The meeting came to order at 9:16 p.m.

Streets— Manager Buker was directed to begin preparing documents to establish a 90-day trial of a stop sign along North Street where it is intersected by Boyd Street, following public comments in the Council Meeting that took place prior to the Committee of the Whole Meeting.

Economic Development— Manager Buker shared an offer she had been approached with by a resident. Ms. Heidi Snyder resides on Pine Street for roughly half the year and is concerned that the Borough's social media and marketing presence don't reflect the charms of the area. To that end, Ms. Snyder, a professional botanical illustrator, wished to extend an offer to allow the Borough to use her artwork as part of the promotional materials for the Borough for one year at no charge. Council directed Manager Buker to inquire about what would happen after the one year mark, and report back.

No other committees had reports to offer. The remainder of the meeting was spent on developing the 2022 General Fund Budget.

The meeting adjourned at 10:18 p.m.

Respectfully submitted,

Kayla Buker

Borough Manager
