

Millersburg Borough Council
Act 172 Public Hearing
March 14, 2018
Millersburg Borough Council Chambers

Call to Order – President Dietz called the public hearing to order at 7:02 PM with Cl'm Ibberson and Breach present. Borough Manager McGann and Secretary Jackson were also present.

Hearing – A number of guests were present on other Council business. McGann and Dietz explained that this hearing was a necessary step in the adoption of an Ordinance to provide tax relief for local volunteer firefighters under PA Act 172. The tax relief is extended to qualifying firefighters and administrative staff and applies to the local earned income tax.

William Baker asked if the benefit would be a tax credit and McGann confirmed that the relief is a credit on the individual's earned income tax. No additional comments were received.

Motion by Cl'm Breach, seconded by Cl'm Ibberson to adjourn the hearing at 7:03 PM. Motion carried.

Respectfully submitted,

Christopher M. McGann
Borough Manager
