

RESOLUTION NO. 13-15

**A Resolution of the Millersburg Borough Council,
Dauphin County, Pennsylvania,
Supporting the Submission of a Grant Application to
the Dauphin County Local Municipal Share Grant Program**

Whereas, the Ned Smith Center for Nature and Art (Center) has an increasing need for equipment to maintain the trails on the Center's property in a safe manner; and

Whereas, with the increasing number of persons using the trails of the Center, the Center has an increasing and critical need for off-road equipment to be used for emergency services on the trails; and

Whereas, the Millersburg Fire Company has a need for off-road equipment to be used for emergency services within their service area (approximately 37 sq. miles) and within their mutual aid area (greater than 500 sq. miles); and

Whereas, the Millersburg Fire Company supports the Center's submission of a grant application to the Dauphin County Local Municipal Share Grant Program for off-road equipment that can be dual purposed for trail maintenance work and emergency service needs; and

Whereas, in non-emergency situations, the vehicle will be equipped for and may be utilized to maintain the safety of the extensive network of trails on the Center's lands as well as being equipped as an emergency response resource in the case of medical or fire emergencies occurring on the Ned Smith Center lands; and

Whereas, the Millersburg Borough Council also supports the Center's efforts in working with local first responders to make this resource available for emergencies occurring within their response area.

Therefore be it resolved, that the Millersburg Borough Council agrees to be a co-applicant for eligibility purposes only for the Ned Smith Center for Nature and Art as it seeks funding for this project through the Dauphin County Local Municipal Share Grant Program.

Adopted this 24th day of July, 2013.
